#### Abstract:

The Song Contest is unique to Kamehameha—a tradition that has involved all students in musical competition for ninety-four years. Miss Laura Brown, Director of Music at Kamehameha 1926–1947, stated that 'the objectives of the song contest are to build up the repertoire of the best in Hawaiian music for the cultural heritage of any student who attends Kamehameha; to develop leadership, cooperation and good class spirit; and to give students the use of their singing voices and to give them pleasure in singing as a means of expression.' #### Historical note

Singing has always been a means of expression among the students of Kamehameha, so it was natural that such affairs as the annual song contest would evolve.

On Wednesday evening, preceding Armistice Day in 1920, the boys staged an inter-class song and stunt night, the first of its kind. The classes competed for the George Alanson Andrus trophy\_presented by the athletic association in honor of Mr. Andrus, who for several years was director of music at the

school for boys.

The second annual song contest was held in the spring at the school for girls and the third about the same time at the school for boys.

A second trophy was donated to be given to the winner of the junior division, which was created in the annual song contest at the school for girls. This cup was donated by Mrs. Theodore Richards. The original cup, which had been donated by Mrs. L.H. Scoville of Watertown, Conn., was made the award for the senior division winner in the contest. This latter cup is known as the New England Mother's cup.

This donation came about when Mrs. Scoville, visiting the Hawaiian Islands, heard the girls of Kamehameha sing and was so impressed with the charm of the Hawaiian melodies that she made arrangements for the cup to be awarded to the annual song contest winner. This same years a junior division was arranged for the school for boys song contest and a cup donated by Richard H. Trent, a member of the board of trustees. The original school for boys contest cup, the George A. Andrus cup, was designated as the trophy for the senior division winner. In an opening speech at the school for boys 928 song contest, James Hakuole, '28, traced the origin of the Andrus cup as follows: "Back in the fall of 1912 Mr. George A. Andrus, Oberlin college, an institution that is also known for its good singing, came to Kamehameha to teach music. He died in 1920. Mr. Andrus is the man who inspired our present system of annual song contests held here. During the school year 1920-21, R. J. Borden suggested a memorial cup and the Kamehameha Athletic association donated it."

Interest in Honolulu led to interscholastic song contest, Kamehameha winning the int erscholastic song contest in 1928.

Each class sings two Hawaiian songs, a choice song which the class selects and the prize song selected by the music department of the school. A song leader is chosen by the class to lead it in the contest. **Ka Mo'i**, Tuesday, February 11, 1947, Vol. 23, No. 4 Honolulu, Hawaii U.S.A.
